

Peconic Lawn and Tree Care – an established, high end, full-service residential landscape Maintenance Company in Southampton, NY – is now hiring for the following position:

HORTICULTURALIST

We are currently looking for an outstanding, educated and motivated individual to join our dedicated team of professionals. We offer a competitive compensation package and great opportunities for growth in an expanding business.

Responsibilities include:

- Maintain and install plant material including annuals, perennials, ground covers, shrubs, trees and turf grass. Plant care includes planting, watering, cleaning, fertilizing, pruning and mulching.
- Perform daily grounds maintenance including removal of dead plants and area cleaning. Perform foliage bulb color replacements.
- Serving as an integral member of a team of professionals which is committed to safety on the job, accurate reporting and record keeping, and excellent customer relations.

Requirements include:

- Degree in Horticulture or 3-5 years of verifiable experience working with ornamentals, perennials, annual design, installation and maintenance
- Strong knowledge of plant materials and landscape maintenance techniques
- Strong identification skills of cool season grasses, weeds, insects and diseases.
- Effective administrative, communication and problem solving skills.
- Valid and clean driver's license
- English-speaking/Spanish-bilingual a plus

Please send resumes to info@peconiclawn care.com or fax to: 631-287-7396
